## Self-Promotional Image Release

*This form is signed by the photographer and kept on file by the participant.*

*Participant:*

*Date:*

*Location:*

I, Martin Krzywinski (photographer), give the specified participant permission to use images taken at the above location and date with the following conditions.

**1.** The images may be used only for self-promotion. Images may be used in printed or online materials (portfolio, web page, brochure, flyer, business card) to promote a participant's services (modeling, styling, set design). Images may be used for print advertisement for participant's services, but not for advertisements of any other product, service or publication beyond said advertisement.

**2.** With the exception of use in print portfolios, images must be accompanied by photo credit ("Lumondo Photography").

**3.** Alterations to the images are permitted, but limited to global transformations solely for the purpose of preparation for printing and display. Contrast, brightness, and saturation may be adjusted to optimize the image for print or online display. Other adjustments including but not limited to tone remapping, cloning, blurring, sharpening are not permitted. Photos may not be altered in any manner to imply nudity or sexual activity.

**4.** The images may not be used or sold, online or printed form, in any other manner not

covered by paragraph (1) including, but not limited to advertisements, commercial or editorial publications, stock, websites, or galleries.

**5.** The images may not be used to promote any adult oriented web or print material.

Any usage that is not self-promotional requires specific and prior written permission by Lumondo Photography and each individual whose likeness and styling appears in the image.

If you have any questions about usage restrictions outlined here or require additional usage rights please contact me.
